RENEWABLE WATER RESOURCES
AMENDMENT OF NEW ACCOUNT FEE**

Notice is hereby given pursuant to Section 6-1-330 and 6-1-1080 of the Code of Laws of South Carolina 1976, as amended, that a public hearing will be held before the Board of Commissioners, the governing body of Renewable Water Resources (“ReWa”), at 2:30 p.m. (or as soon thereafter as time permits) on Tuesday, the 26th day of May 2026. The hearing will be held at the Brushy Creek Pump House located at 562 Mauldin Road, Greenville, South Carolina.

The purpose of the public hearing is to receive public comments regarding the proposed amendment of the New Account Fee. All persons who attend the public hearing will be given an opportunity to speak. The proposed fees can be found on ReWa’s website, www.rewaonline.org.

ReWa operates on a user charge system; therefore no ad valorem taxes are levied to fund ReWa operations. ReWa has reviewed revenue requirements and given consideration to protecting ReWa’s investment in infrastructure, economic development, ratepayer affordability and rate equity.

A New Account Fee is a one-time charge assessed for new customers for capacity in the wastewater system.
