RESOLUTION**

Trunk and Treatment New Account Fee

WHEREAS, Renewable Water Resources (ReWa) is committed to maintaining fair and equitable user fees for all customer classes including both existing and future customers;

WHEREAS, ReWa supports a philosophy that growth pays for growth;

WHEREAS, Staff has reviewed the current New Account Fee and Capital Contribution Fee Methodologies; and

WHEREAS, a New Account Fee Study has been conducted by Raftelis Financial Consultants, Inc.,

NOW, THEREFORE, BE IT RESOLVED that Renewable Water Resources does hereby rescind the Residential and Commercial Capital Contribution Policy dated May 2021, while amending the New Account Fee Schedule Resolution dated February 2001 and the Rate Increase on New Account Fees (multi-family and mixed-use) dated April 2017 with the following:

- The capital contribution methodology has been combined/absorbed into the New Account Fee methodology,
- The effective date of this Resolution will be July 1, 2024;
- The New Account Fee will be collected before ReWa's issuance of the Flow Acceptance Letter (capacity reservation);
- If a capital contribution fee has been paid, the New Account Fee will remain at \$2,500 until December 31, 2025; and
