Be Freshwater Friendly Has a New Face!

One of Be Freshwater Friendly's focus areas is Pet Poop Etiquette, which aims to educate the community about the importance of picking up after your pet to reduce fecal bacteria and nutrient pollution. During the Bone-nanza at Pelham Mill Dog Park Event, contestants were entered into the Casting Paw for a chance to be the next famous face of the spring 2014 Poop Etiquette ad campaign. Finalists' photos were posted on the Be Freshwater Friendly Facebook page for

Project Rx: A River Remedy
Join Us at Project Rx on Oct. 26, 2013!

Project Rx: A River Remedy will hold its seventh bi-annual drug take-back event on Saturday, October 26th from 10 a.m. to 2 p.m. for community members to properly dispose of their unused or unwanted medications. Project Rx continues in partnership with the U.S. Drug Enforcement Administration (DEA) providing multiple collection sites across the Upstate. Full location details are continually updated at ariverremedy.org/locations. Participants can visit the Greenville drive-thru locations: McAlister Square - 225 South Pleasantburg Drive, ST. FRANCIS millennium – 2 Innovation Drive, and Greenville County Medical Society- 1395 South Church Street in Greenville, SC.

Congratulations to All 2013 Compliance Excellency Awards Recipients

ReWa held the 21st annual Compliance Excellency Awards banquet to recognize industrial users who have helped ReWa provide a cleaner environment by

Polychlorinated Biphenyl (PCB) Contamination at Upstate Water Resource Recovery Facilities

Renewable Water Resources has been diligently working with the South Carolina Department of Health

the public to vote and the winner has been determined! ReWa is pleased to announce the "Casting Paw" winner for the 2014 Be Freshwater Friendly spring ad campaign! The winner is a Great Dane named Gunner!

achieving an excellent record of compliance during 2012. General Electric (pictured above) was recognized for 20 years of compliance! A Certificate of Recognition was presented by ReWa's Pretreatment Department to many area industrial users for their commitment to environmental stewardship.
