

ReWa alongside Project Rx community partners will be hosting a medication collection event on Saturday, September 19, 2015 from 10am until 2pm at multiple locations across the Upstate!

Gather all unused and expired medications for proper disposal, free of charge. If you have an urgent need to dispose of medication, the permanent drop box at the Greenville County Law Enforcement center (located at 4 McGee Street) is available to you seven days a week, 24 hours a day.

For more information about this campaign, and to view a full list of community drop off locations, please visit [www.ariverremedy.org](http://www.ariverremedy.org).

### **New ReWa Website has Launched!**

ReWa has launched a new website, [www.rewaonline.org](http://www.rewaonline.org), to better serve our customers, business partners, and community.

Vendors are encouraged to explore the website for new opportunities, while community members are encouraged to learn more about ReWa and educational campaign

[www.befreshwaterfriendly.org](http://www.befreshwaterfriendly.org)

[www.pip patrol.org](http://www.pip patrol.org)

[www.ariverremedy.org](http://www.ariverremedy.org)

We hope our websites serve as a valuable source of information for you!

### **ReWa Presents 2014 Compliance Excellency Awards**

ReWa held its 23<sup>rd</sup> Annual Compliance Excellency Awards Banquet at the Marriott Hotel in Greenville, SC in May of 2015.

ReWa recognized 47 local industries for demonstrating excellent compliance with environmental regulations throughout the year of 2014. The Compliance Excellency Awards are presented to local industries that are in compliance with ReWa's Sewer Use Regulation. Plaques are given to Industries with 100% compliance for the year, meaning no violations of their permit. Certificates are given to industries with no more than one violation within that year.

To view a full list of award recipients, visit [www.rewaonline.org](http://www.rewaonline.org).

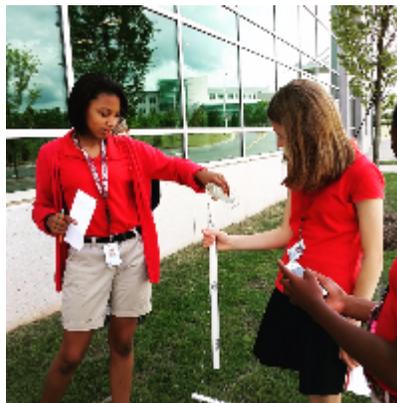

### **S.C. American Water Works Association Workshop Educational Award**

ReWa is a member of South Carolina Water/Wastewater Agency Response Network (SCWARN), a group of utilities that provide emergency response and assistance for other member utilities upon request. Any of the member agencies can provide staff, equipment, or both upon request to others in the state.

The SCWARN workshop, coordinated and executed by the Joint Preparedness Committee in January 2015, won the SCAWWA Workshop Educational Award. The award was presented to Kyle Lindsay, Chair for the Joint Emergency Preparedness Committee and ReWa Process Control Officer.

For more information, visit [www.scwarn.org](http://www.scwarn.org) or [www.scwaters.org](http://www.scwaters.org).

### **ReWa Mentors in the Community**

During the Fall of 2014, a mentor fair was held at Phinnize Fisher Middle School, located in CU-ICAR. The fair led to a year-long mentor program for 24 students that expressed interest in clean water and the services we provide to our local community.

Over the course of the school year, the students have been educated about the wastewater treatment process, our environmental education initiatives, and incorporated project based learning such as lab experiments and group presentations.

---

environmental preservation. If you or someone you know would be interested in a presentation or tour of a ReWa facility, please visit [www.rewaonline.org](http://www.rewaonline.org).
