

Addendum I Reedy River Basin Sewer Tunnel RFQ

Posting Date: June 2, 2017

In published Request for Qualifications (RFQ) Reedy River Basin Sewer Tunnel, please note the following update:

1. **Q:** We would like to request a 1 week extension on the Request for Qualification due date.

**A:** Qualifications deadline has been changed to June 20, 2017 at 2:00 pm.

2. **Q:** Is the contractor expected to have a South Carolina contractor's license prior to prequal submittal? Or can this be obtained prior to the bid process?

**A:** ReWa requires SC contractor's license as part of the upcoming bid submittal (not this prequalification) but Contractor is responsible for complying with all SC Department of Labor, Licensing, and Regulation requirements.
