Addendum I Reedy River Basin Sewer Tunnel RFB

Posting Date: August 31, 2017

In published Request for Bid (RFB) Reedy River Basin Sewer Tunnel, please note the following updates for Short-Listed Contractors:

Please see Bid Bond form and 3 new BLE reports posted on the website: www.rewaonline.org

“This addendum serves to highlight the requirement for Good Faith Efforts for the solicitation of DBE Firms and that, **whenever possible, contact should be made not later than 30 days before Bid opening. Bid opening is scheduled for October 5, 2017.**”

The 30-day requirement can be initiated by contacting the SC Governor’s office of Small & Minority Business Assistance (SBA) and the office of Minority Business Development Agencies (MBDA Business Center) in Columbia, SC, and other agencies that provide procurement assistance to DBEs. The SRF documents state that the prime contractor is **required** to use the services of the SBA and MBDA Business Center. Contacts for these agencies are available in Attachment A of the SRF Special Conditions in the RFB, and attached here for reference.

Prime contractors are required to review the Mandatory Supplemental General Conditions for the South Carolina State Revolving Fund Program for other requirements for continued Good Faith Efforts for DBE solicitation throughout the bidding process.”

If you have any questions and/or concerns, please do not hesitate to contact Julie Dacus at julied@re-wa.org or Stephanie Selman stephanies@re-wa.org.
