Non- Residential Septic Tank

ACCEPTANCE REQUEST

Please fill out this acceptance request application for all non-residential (non-family dwelling) Septic Tanks (Example: commercial business, parks, camps, churches, etc.). Once this request is submitted to ReWa, a ReWa Commercial Pretreatment Program Inspector will be in contact with you to complete your acceptance application process. Only after this is complete, will the septic tank contents be approved for disposal at the ReWa facility.
