

Addendum I Biosolids Management Master Planning Services Project

Posting Date: August 29, 2018

In published Request for Qualifications (RFQ) for Biosolids Management Master Planning Services project, please note the following updates:

- Q:** How do I determine the tip fees associated with biosolids at the landfills listed in the RFQ?
A: After receipt of the RFQs, firms will be shortlisted for the project. ReWa will give a presentation to shortlisted firms which will include more detailed information, including tipping fees, at that time.
