

Addendum I Construction Services Indefinite Delivery Contract Project

Posting Date: March 14, 2019

In published Request for Qualifications (RFQ) for Engineering IDC project, please note the following updates:

1. **Q:** Is the work within the last 5 years strictly ReWa work? The request is in the Previous Work with ReWa section but it does not specifically state just ReWa projects.
A: No, please see Section 3.C (Related Project Experience) as well as the Project Reference Form.
2. **Q:** Can Certificate of Insurance, Bond Letter, Cover Letter, Table of Contents, Substance Abuse Policy, and Safety Program be excluded from page limit?
A: Yes.
3. **Q:** Are the subcontractors we submit with this RFQ the only subcontractors we will be allowed to use over the life of the contract?
A: No, but ReWa reserves the right to approve or disapprove subcontractors by asking for any relevant work experience similar to the requirements of this qualification (safety, work experience, project manager/superintendent experience etc.).
4. **Q:** Are the forms in the template contract to be returned with the RFQ?
A: No, once Contractors are qualified, ReWa Purchasing will work with each Contractor to execute the contract and fill out all necessary information then.

Revisions

Section 2. Categories, Conveyance should be revised to state: The Conveyance Category will have two separate categories for sewer lines (gravity and force main) and pump station work. Contractors shall note on which categories they are submitting qualifications.

If you have any questions and/or concerns, please do not hesitate to contact Stephanie Selman stephanies@re-wa.org or Julie Dacus at julied@re-wa.org.
